#203,204,205 – Concerns identified below.

Monitored various social media platforms in order to identify any additional NS concerns

CIG #204 PROS File 2022228138

CIG OSINT located a Twitter post, which states, "We have her home address now. It's time for personal visits. Marshal law. !!!! Anything goes for us to. Self defence etc". This tweet was in reply to another tweet which states "This is so bourgeois". This could indicate that individuals may attempt to dox Justice Julie BOURGEOIS, the Justice who held Tamara LICH in custody. The post was shared by twitter user Personal Info. on 2022-02-23. Ashley HISCOCK, Security Advisor for Ministry of the Attorney General advised of the posts by FPNS and confirmed that the judge is aware of the online threats. FP TIOS tasked out to see if the individual making the post could be identified and geo-located. FPNS monitoring.

PROS 2022-228293:

On 2022-02-22 at 04:19, a suspicious fire was reported at the constituency office of Liberal Member of Parliament Peter FONSECA, MP for Mississauga East – Cooksville. Damage to the office and adjacent businesses was estimated at \$140,000. A note was located on scene but was illegible due to water damage. Peel regional Police are investigating the arson. Peel's Ident services were able to reconstruct the note and the contents support that the fire was a targeted arson. The motive for the fire appears to be retribution for FONSECA's vote in parliament in favour of the Emergencies Act. OINSET
